**ANNOUNCEMENT:**

**FEE RATE TO REMAIN UNCHANGED  
THROUGH FISCAL YEAR 2011**

In recognition of the severe restrictions on revenue our public sector clients are facing from both local property taxes and State sources, Sraga Hauser, LLC, has decided to maintain its current hourly billing rate for legal services for a third consecutive year. Our current rate of \$195 per hour will not be increased for at least the period extending through the fiscal year ending June 30, 2011.

We thank you and all of our clients for the continued opportunity to serve your needs for legal services.
